

eligible applicants: SEAs, LEAs, the Bureau of Indian Education of the Department of the Interior, institutions of higher education (IHEs), and other public and private agencies and organizations, including an award to one or more IHEs or SEAs to establish a National Research Center for the Education of Gifted and Talented Children.

1

priority applications: projects that include evidence-based activities or that develop new information to improve the capacity of schools to operate gifted and talented education programs or to assist schools in identifying and serving traditionally underserved students.

2

3

use of funds: conducting research on methods and techniques for identifying and teaching gifted and talented students and on applying gifted and talented educational methods to all students, including low-income and at-risk students; establishing and operating gifted and talented education programs, including innovative methods and strategies for identifying and teaching students traditionally underserved in such programs; and providing technical assistance and disseminating information.

COMPETITIVE GRANT PROGRAM

current funding

\$12 million
FY 2018

purpose: *to support a coordinated program of research, demonstration projects, innovative strategies, and other activities to build and enhance the capacity of elementary and secondary schools to identify gifted and talented students and meet their special educational needs.*
