

ESSER

Allocations to LEAs in Massachusetts

Across all three federal laws (CARES, CRRSA, and ARP), SEAs must use at least 90 percent of their grant awards to make subgrants to LEAs in proportion to the amount of funds that each LEA received under Title I, Part A in the most recent fiscal year.

minimum DESE distribution to LEAs

ESSER I Fund	\$193,404,885
ESSER II Fund	733,401,356
ARP ESSER Fund	1,647,115,266
Total, ESSER	\$2,573,921,507

GEER

Allocations to Massachusetts

Both the CARES Act and CRRSA Act provided funding to Governors through the Governor's Emergency Education Relief (GEER) Fund. The U.S. Department of Education is required to allocate 60 percent of the funds based on each state's relative population of individuals aged 5 through 24, and 40 percent based on each state's relative number of children counted under the Title I, Part A formula.

GEER I Fund	\$50,843,703
GEER II Fund	22,625,334
Total, GEER	\$73,469,037

GEER funds may be used by the Governor of Massachusetts in support of public elementary and secondary education, institutions of higher education (IHEs), or other education-related entities. A Governor has wide discretion in determining the entities in the State that will receive GEER funds. A Governor can choose to fund only LEAs, only IHEs, only education-related entities, or any combination of eligible entities.

FY2021: Secondary Virtual Course Access Grant

Fund Code: 423

Purpose:

The purpose of this targeted funding opportunity is to recognize challenges voiced by districts and educators regarding available resources to provide robust online course options to middle and high school students (grades 6 through 12) who cannot participate in the in-person learning opportunities offered by their schools.

Priorities:

Priority will be given to eligible districts that are most significantly impacted by COVID-19 and, on average, have students attending school in-person at least twice a week.

Eligibility:

School districts who serve secondary students in grades 6 through 12 must meet two eligibility criteria:

1. Have at least one school requiring assistance or intervention in the state accountability system or is in receivership.
2. Is providing hybrid or in-person learning models in which all or some groups of students are attending in-person learning or is only fully-remote in accordance with public health data and DESE expectations (*or will subsequently begin providing hybrid or in-person learning in accordance with public health data and DESE expectations).

Funding Type:

Federal: [Governor's Emergency Education Relief \(GEER\) Fund](#)  CFDA: 84.425

Funding:

Up to \$5 million is allocated to eligible districts*for this grant. Awards in the table below were determined based on the number of high-needs secondary (grades 6 through 12) students served by the district, with a minimum allocation of \$10,000.

*These districts will be eligible for funds once they can confirm that they have begun hybrid or in-person instruction in accordance with public health data and DESE expectations.

Fund Use:

Funds should be used to support expenditures from July 1, 2020 to June 30, 2021 for access to virtual course options for secondary students who need to opt out of a district-implemented in-person learning model for health, safety, or family reasons. This primarily includes the costs for online courses or related student licenses through remote learning partners such as those identified [here](#), but may also include stipends for district educators to support the engagement and learning of students enrolled in virtual courses, and other supports (e.g. virtual tutors, assistive technology, etc.) necessary for specific students identified as being part of a high need population, including economically disadvantaged students, homeless students, students in foster care, students with disabilities, and/or English learners to engage successfully in the virtual coursework.

Funding should **not** be used as a supplement to hybrid or in-person learning, or for the purchase of technology or equipment.

Districts wishing to fund partnerships with post-secondary institutions to support credit-bearing coursework (e.g. online dual enrollment, and designated Early College or Innovation Pathway programs) should use funding opportunities made available through the Department of Higher Education.
