

Hello my name is Alyssa Denman! I am currently a sophomore at Midland University, and my major is Elementary Education with endorsements in coaching and early childhood education. In addition, I am getting my social and emotional learning certificate. At Midland University, I am involved in band, NSEA-AE as Co-President, and currently on the AE executive board as Northeast region rep. A reason why you should consider me in your votes is I love to make sure everyone's voices are heard and included. I am a big advocate for our Midland Chapter and for our education students. I will make sure that everyone has a say when it comes to decisions. That is important to me because everyone should feel as if their voices are heard. Lastly, I am a strong leader and I am always reliable. Whenever you may need something, or have concerns I am all ears whenever you may need me. If you ever have an idea, I will be open minded to your concern, and try to help you solve that issue that may be occurring. I will never shut down an idea, I will try to help grow and expand the idea. Therefore, that is why you should vote for me! I appreciate your time and consideration when deciding to vote for the Resolutions Committee! Have a great day!
