

Hi! My name is Jillian  
Buzzard

## About Me

I am Jillian Buzzard, a junior Elementary Education major with an endorsement in Early Childhood at Wayne State College. In middle school, I was greatly impacted by my seventh grade science teacher, she made school become my safe place. Fast forward to my senior year of high school, I decided I wanted to have the impact on others just as my teacher did on me! When first arriving on campus, I joined my local Aspiring Ed. The Aspiring Educator program has gave me purpose and a way to begin that impact on others prior to entering the classroom. It has been an honor to serve the AE program in seven different positions, serving as a delegate to the Nebraska Representative Assembly two times and a delegate to the NEA Representative Assembly.
