

Meet Matthew Yuro

Hello AE family! My name is Matthew Yuro (he/him), and I am a Senior at The College of New Jersey, majoring in Special Education, Elementary Education, and History. I am running to be your next Board of Directors for the 2024-25 year. I have loved my experience within the NEA AE program, in which I have served as a member of the NEA Resolutions Committee from 2023-24, and the NEA AE Advisory Committee from 2022-23. In these roles, I have changed AE resolutions, helped plan the Aspiring Educators Conference on the Awards Subcommittee, and served on the Aspiring Educator to Early Career surcharge. I have had the honor of serving as the NJEA Preservice President for 2023-24. Through this role, I have increased membership, fought for free dues, lobbied for paid student teaching, planned our first Preservice Conference, redesigned the NJEA Preservice website, increased social media engagement, encouraged attendance at NEA events, and much more. Overall, I am ready to bring creative ideas and a new perspective to the NEA AE program.
