This year you joined the launch of Project LEAP! and were part of the *LEAP Professional Learning Leader Academy*, where you expanded your vision of union-based professional learning, learned about Adult Learning Theory, and examined elements of being an effective facilitator of adult learners.

**Share one way
your Academy
participation
enhanced you
personally,
professionally or
as a union leader.**

How did the Professional Learning Leader Academy strengthen the ESP community?

How will your Professional Learning Leader experience help to strengthen the ESP community in the future?

From this experience, how has...

Your thinking been
S-T-R-E-T-C-H-E-D?

Your VOICE become louder?

Your PRESENCE
increased?

The PLL Academy
led to other
opportunities...

How did this elevate
your vision?

Your skills?

Your leadership?

Share the Impact of Your PLL Experience...

By strengthening you as a union member/unionist

By enhancing your skills at work

By enhancing your relationships in our union

By becoming an ESP *INFLUENCER*

By making plans for future use of your new skills

The journey of a thousand
miles begins with one step...
