

## Vivian Zimmerman for NCHE Secretary

My name is Vivian Zimmerman, and I am running for the position of Secretary of NCHE. I recently filled the position due to Marcia Mackey's winning the seat as Vice-chair. I have served on the NCHE Board for well over 15 years and have contributed much to the growth of the organization including but not limited to: the reimplementation of a Higher Ed PAC Fund, facilitating round table discussions at Higher Ed meetings and conferences, instituting policy changes within the organization, attending NEA RA's, and developing resource ideas for Higher Ed. I am the voice for Adjunct/Contingent faculty around the state.

Within the State of Illinois I sit on the IEA Executive Committee, Board of Directors, serve as the Chair of the Higher Ed Council, numerous other committees such as : the One Conference Planning, Steering Committee, Racial and Social Justice, Dues Restructuring, and many others. I have a diverse background in many other areas.

I would be honored to have your vote to continue to do the "Write Sutf," for NCHE as your secretary!
