

NEA-Retired Racial and Social Justice Committee

PURPOSE

The mission and purpose of the NEA-Retired Racial and Social Justice Committee is to increase our knowledge and understanding as well as address racial and social justice issues. This committee will share this knowledge with our NEA-Retired affiliates and the NEA.

GOALS

The committee's goals are to:

1. Explore all forms of racism and social injustice at all levels that impact our Retired members. We will address this through in-depth trainings, self-reflections, interactions, readings and other media.
2. Develop strategies and resources to assist with the implementation within NEA-Retired affiliates to make racial and social justice a priority for all our Retired members.
3. Develop a network of resources and members to address racial and social justice issues for our Retired members.
